

THE BELTHORN BULLETIN

Term: Autumn Term December 13th 2018

XMAS FAIR

On the 7th of December a Christmas fair took place at Belthorn Academy Primary School (3.30 - 5.00). Things like a chocolate tombola, a raffle for a £50 amazon voucher were on offer. Toy stalls were in the hall offering toys ranging from coloured slime to plastic dinosaurs. Traditional food such as turkey sandwiches and Christmas pudding were also being offered in Year 1. The most popular attraction was Santa's Grotto, housed in Year 6, where hot chocolate and biscuits were on offer for those eagerly awaiting a trip to Santa. Fortnite toys flew off the shelves whilst children stuffed their faces with chocolate coated doughnuts.

SANTA'S LITTLE HELPER

On the 30th of November, Izzy Egan changed a little child's life. Izzy volunteered to cut off 12 inches of her own hair, this is a 9 year old girl with a heart of gold! The words of Izzy were moving enough to make even a tiger cry: 'If I can be happy, another boy or girl can be too!'

Little Princess Trust, which is the charity Izzy cut her hair for, must be extremely grateful. Izzy says she is glad she did it, especially since it's helping cancer patients.

NEW GAME HITS THE SHELVES

Forza Horizon 4 is a car game that is rated PEGI 3. It is a game in which you can buy and sell cars. You can enter high octane races and play against your friends. It has online features, including a free roam area that you and your friends can have your own island to host exclusive races to test out your cars.

NEW TEACHER IN TOWN

Mr. Dean, 20, is a new teacher at Belthorn Academy, whose hobbies include playing American Football. His other job is working as a bar man and if he was not going to be a teacher his dream job would involve traveling, such as being a pilot. He says that being

a teacher is difficult but definitely worth it. When he came to this school, he said all the teachers and students treated him with respect and kindness. We wish Mr. Dean a welcomed stay in our school.
