Welcome to this week's newsletter...

This week we have had a variety of interesting activities taking place:

On Tuesday Year 5 went out to Darwen Vale for an internet safety afternoon. The children told me they created an interactive quiz using PowerPoint all about on-line safety. They all seemed to have enjoyed the event as well as learning useful lessons about keeping safe.

On Wednesday we had a really motivating assembly to promote the Edible Explorers programme. It certainly inspired Mr Griffiths who was really motivated by it. Information has been sent out about this.

On Thursday Mr Furness, Mr Griffiths senior and Mrs Powell all took part in the Right Start crossing the road training which they will be delivering to Reception children in the next few weeks. We hope this will then move up the school so that all year groups are more aware of road safety issues.

Mrs Powell attended training on Friday afternoon for the upcoming annual sing up event which Year 3 take part in at King George's Hall in March on March 18th.

February half term.

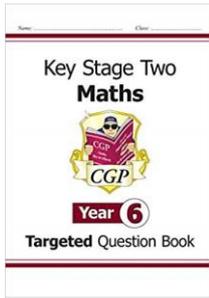

Coming soon, we will be getting new lockers in our extension corridor. These will replace the coat hooks and storage 'holes' for KS2. The lockers will be big enough for a coat, a PE bag and a book bag sized bag. They will not be big enough for rucksacks. The children only need to carry their reading book and letters back and forth. We are hoping the lockers will alleviate the problems of coats and other belongings being lost and damaged. They will arrive during

The PTFA met on Monday night and discussed a range of activities for this term. More details to follow. Thank you everyone for coming along and sharing your ideas.

Attendance Award

Year 6 100%

Year 6 parents – Revision guides are available priced £3 each for maths and English. You can pre-order these through School Money. See Mr Furness for more information.

Thank you

A reminder to all parents who use the Breakfast club – please sign your child in and then let them go to their cloakrooms to hang their coats up etc. on their own. All children except Little Bells can go unaccompanied to their own classrooms and this way we don't have adults unknown to children walking around school unaccompanied. Little Bells parents will be escorted down to the Pre-School by a staff member.

And finally.....

50 things to do before you are 11 ¾

As part of our well being work we have looked at the National Trust's document which outlines 50 outdoor activities children could do with family and friends. Each class has decided to attempt several of these activities. Ideas include running down a hill and playing in the rain (quite easy at Belthorn). If you want to know more and maybe take part at home with all the family. Please see the attached National Trust leaflet.

Have a lovely weekend,

Mrs Rowan and the Belthorn Staff
