

## Little Bells Newsletter

Week Ending 15.02.19

The last six weeks have flown by, the children have been so busy learning about many traditional tales and have seemed to really enjoy this topic and had many learning opportunities. This week we have focused on traditional stories that contain a princess, a prince, a king, a knight or a queen. The children made a list at circle time of the stories they liked and then we have read the stories over the week at story time.

We have talked about Valentine's day and who is special to us and why. The children then made a card for their special person.

In Art and design, we have been mixing colours and created a background for a princess or a prince silhouette. The children enjoyed exploring the colours and seeing how they changed.

In phonics we are working really hard on rhyming words; you could continue this at home over the holidays. We have read stories with rhyming words in, watched Alphablocks and practiced matching rhyming words together with picture cards.

When we return after the holidays we will be moving on to our new topic question; **Can you save the day?** We will be learning about superheroes, people who help us and Supertato the story.

The children looked fabulous today in their traditional tale dress up, they enjoyed talking about their outfit and telling their friends which story it was from. Thank you to those who attended the stay and play we will arrange another one for next half term.

Enjoy the holidays, we are back in school the week commencing 25<sup>th</sup> February.
