

Little Bells Newsletter

Week Ending 21.06.19

This week we have been learning about different forms of transport and if it goes on land, water or air. The children have had a variety of scenes on pictures and have positioned vehicles in the correct places. They have been sorting forms of transport into wheels and no wheels, we have also worked as a team to complete a transport jigsaw, starting with the edges then completing the middle section.

For Welly Walk this week and PE we have practiced races; running, jumping, skipping, the egg and spoon and balancing bean bags on our heads. Sports day has now been changed to Wednesday 17th July. This is the same day as our graduation assembly so children will only be taking part in the morning activities then we will be getting ready for the graduation in the afternoon. Parents are welcome to attend sports day in the morning and watch their child.

Photographs have been sent home if you would like to place an order please return them by Wednesday 26th June.

Next Friday is our summer fair, there will be lots of stalls and activities, tickets available on reception.

Next week we are learning about Spain as part of our holiday topic, we are going to do a bit of Spanish dancing, make flags and learn about different parts of Spain. If anyone has any holiday brochures that they no longer require please could we have them for our travel agents role play area.

Have a lovely weekend,

Mrs Drugan.
