

Little Bells Newsletter

Week Ending 28.06.19

What a super exciting week learning about Spain, we have jetted off on an aeroplane with our suitcase and passport. We practiced flamenco dancing, tried Spanish food and watched a bit of a Spanish football match. The children learnt how to check a suitcase in, how to put a label on their suitcase and watched a safety video when we boarded the aircraft. We made passports talking about what information was on them and why we needed them.

In maths we have been playing colour bingo, spotty bingo and number formation bingo using a dice. This has helped with number recognition and number formation.

In Literacy we have continued with our Barnaby bear trip, Barnaby has been in Spain this week and we have followed his journey around Spain. We have learnt how to say hello (Hola) and goodbye (Adios) in Spanish and the children practiced during circle time.

For welly walk this week we practiced throwing and catching using tennis balls and played some ball games. In PE we had our role play trip to Spain.

If you would like your child to go on the school trip on Wednesday 10th July please ensure payment is made by Monday 1st July as I need to confirm final numbers. The children on school dinners will be provided with a packed lunch and please could the children who bring a packed lunch put it in a disposable bag, with a disposable drink.

Next week we have lots more fun, exciting learning planned around our holiday topic.

Let's hope the sun continues to shine this weekend, see you all next week,

Mrs Drugan
