

## Little Bells Newsletter

Week Ending 07.07.19

Welcome back, I hope you all enjoyed half term. I can't believe we are on our final 7 weeks before the summer break and before some children move into reception, time flies!

Our final topic is all about holidays; transport, the weather, transitions and hopeful some outdoor fun. The children who are graduating on Wednesday 17<sup>th</sup> July will start to practice the graduation. We also have our school trip to the farm on the 10<sup>th</sup> July so please make sure you grant consent and make payment if you would like your child to come.

This week we have been learning about Blackpool, we have looked at landmarks in Blackpool and looked at other towers around the world. We have practiced building our own tower and measuring using a variety of tools. The children have shared their experiences about Blackpool.

Some of the children celebrated Eid this week and it was lovely to hear about how they celebrated. In class we shared a story about Eid and the children all made a lantern with stars and moons on.

Children have shared their news from in the holidays and created a picture about their week off. We had some super creations.
