

Little Bells Newsletter

Week Ending 6th September 2019

Welcome to all the children and parents. Hope you had a wonderful summer break. We have had a fabulous first week back, getting to know all the children. The children have settled in nicely and we have introduced some new class rules, the children have helped to decide upon. These rules are; walking feet indoors, good sitting, super listening, kind hands and to share the resources. We have photographs in the class to remind us. This links to our British Values.

Our topic for the first few weeks is; All about me. We have done lots of singing, mark making, playing outdoors, painting and maths activities; the children have been very busy. We have talked about our favourite books and painted our favourite character.

On Welly Walk Wednesday we explored the outdoor areas and learnt how to use the equipment safely. It had just finished raining, so the children enjoyed splashing in the puddles. Thank you to everyone who has brought in wellies, please send some wellies in with your child if you haven't already.

We attended singing assembly on Wednesday and the children sat beautifully and joined in with the singing and actions.

All children have a designated keyworker, I will put the list on the noticeboard as you enter Little Bells. The keyworker is either myself, Mrs Potter or Miss Ashworth. The keyworker will ensure each child's learning journal is up to date and support them while settling into Little Bell's. I am always here if anyone needs to speak to me about anything.

It is been a busy week and I think the children are ready for the weekend.

Have a nice weekend,

Mrs Drugan
