

## Little Bells Newsletter

### Week Ending 4<sup>th</sup> October

This week has been all about autumn, the children have created many autumn pictures using a variety of different skills; drawing, painting, printing, gluing, sticking and threading. We have looked at different types of leaves, the colours and the changes we can see outdoors. For Welly Walk the children went on an autumn walk collecting items outside, we collected acorns, leaves, conkers, sticks and a few other things not related to autumn.

For topic work this week we have moved on to the Mr Men stories and Little Miss books. We focused on Mr Happy linking it to our feelings. Miss Helpful and had tidy up jobs and today we read Mr Funny and talked about things that make us laugh and made funny faces.

In Maths it has been all about number 3 (round the tree, round the tree now I've made a number 3) that's the rhyme we use for formation in class. The children have formed number 3 using different materials, we have searched for the number 3 around school and looked at what 3 pence looks like. Our shape this week is triangles, the children have created a picture using only triangles and we hid lots of triangles around the classroom for them to find.

This week I have been on a course, Wednesday, Thursday and Friday which I have learnt lots of new things to share with everyone at school.

We have planned a stay and play session on Thursday 17<sup>th</sup> October, parents are invited to come into class and play with your children and look at their work around the classroom. It starts at 2.30pm and finishes at 3.15pm, we understand that many of the parents have work commitments. This is something we will do each term and try to change the days, time to give everyone opportunity to come. Parents evening is also on the same evening, I will be in school until 7pm if anyone would like to come and see me and look at your child's learning journey so far.

Have a super weekend, Mrs Drugan
