

EYFS Newsletter

Week Ending 06.12.19

This will be our last joint newsletter, I am pleased to say Mrs Sutcliff is back! We are all really glad to hear she is feeling much better and is ready to join in the Christmas fun!

This week has been really exciting but still packed with lots of learning. We have a visitor; Rosie Snow Elf staying with us in early years. She has been setting the children special missions to complete. So far the children have thought of names for the elf and we picked one out of the hat. Then Rosie decorated the tree with toilet roll which the children thought was very funny and Thursday she left us a mission to find out what estimation was, the children were amazing and decided it meant a good guess.

On Welly Walk Wednesday the children collected Christmas items outside including; crackers, baubles, candy canes, presents and Christmas trees. It is getting cold outside so please remember to send coats, hats, scarfs and gloves.

We are very excited for a pantomime visit on Monday. The children are required to wear full uniform and an ice cream and a drink will be provided at the interval so no extra money is needed.

The children are working hard learning songs and practicing the nativity play. The play will take place on **Tuesday 17th December at 2:30pm** and lasts about 30 minutes. Little Bells children who are not normally in on a Tuesday can still take part, they need to arrive at school at 2pm to get ready and be collected after the play.

Enjoy the weekend, Mrs Drugan and the EYFS team.
