

Little Bells Newsletter

12th March 2021

What a super busy week, we have welcomed three new children; Katie, Max and Monte! It is lovely to have so many children back in Little Bells. Mrs Hall has not been in this week; she is under doctor's orders to rest! We all wish her a speedy recovery.

Miss Haslam has joined the Early Years team and the children have enjoyed spending time with her and it been lovely to have an extra pair of hands.

We have been learning about Spring, Mother's day and our focus book this week, My Mum is Fantastic. Each child made a mother's day card using paint, a bit of cutting and sticking and told us why their mum, grandma, auntie or carer was amazing.

Welly Walk Wednesday changed into a sock walk due to the persistent rain. The children got to take their shoes off, we took photographs of their socks and completed a scavenger hunt around the school. It was really good fun.

The children have all made a butterfly and we have started to introduce the life cycle of a caterpillar. We have discussed changes in the environment due to a change of season. We have searched for signs of Spring and painted an observational picture using a variety of flowers.

Each term we focus on different concept words as part of the children's learning. We have been learning about the word community. It would be lovely if you could you send your child in with a photograph of their family/extended family that we could add to our community display board.

Reminder to add names in fleeces just because the children take them off and put them down then forget where it is. Thank you!

We hope all the mums, grandmas, aunties have a lovely, relaxing Mother's day on Sunday.

Take care, have a wonderful weekend.

Mrs Drugan.
