

Little Bells Newsletter

Week Ending 16th April 2021

Welcome back, I hope you had a good Easter Break!

This week we launched our topic, Traditional Tales, with a fabulous Wow Event. The children participated in lots of activities, from cake decorating with Little Red Riding Hood to Den building with one of The Three Little Pigs, and of course listening to all of the wonderful stories. For those of you that didn't see me in my Goldilocks costume, well, let's just say, you missed a real treat!! As usual the children's costumes were amazing! Thank you for all the effort you go to in dressing up your child, it really does make the event just that much more extra special.

Our theme this week has been Goldilocks and the Three Bears. We have read the story (several times), learnt the Goldilocks song, been counting out bears, and using size vocabulary in our maths. We acted out the story in our dramatic play, made porridge and still managed to squeeze in a Yoga session!

In this week's welly walk, Little Bells received a letter from the Bear family, asking for help to find Goldilocks! The children had a set of picture clues to try and find her. After a lot of running around and a second letter from the Bear family, eventually the children found her hiding in a tree.

Starting next week and for four weeks, Little Bells PE sessions will be delivered by Accrington Stanley, who will be teaching the children a variety of sporting games.

On Thursday morning the children will be visiting Mrs Brown's farm. As you can imagine the children are very excited about stroking the lambs. The farm is within walking distance from the school and the visit will last approximately an hour.

If you haven't done so already, please join Little Bells Facebook page as we post lots of pictures of your amazing children participating in lots of wonderful activities and don't forget to hit the 'like and share buttons'.

Have a lovely weekend, I'm off to the shops!!

Mrs Hall
