

## Little Bells Newsletter

Week Ending 21.5.21

This week has seen the last of our Traditional Tales topic, where we focused on the story, The Ugly Duckling. The children have been very busy with lots of activities to support our learning. In Literacy we have looked at the character in the story. In our Personal, Social and Emotional Development we discussed our similarities and differences and What makes a good friend/How can we be a good friend?

In Maths we played Hook-A-Duck! The children really enjoyed this game and showed off their number recognition skills with the added bonus of some impressive hand and eye co-ordination, a skill which unfortunately Mrs Hall defiantly lacks!

Mrs Hall's phonic group is coming to the end of our phase 2 phonics. Next term we will focusing on lots of blending and segmenting words ready for reading in Mrs Drugan's reception class. Please continue to do the amazing job of practising with your child, it truly makes so much difference when it comes to applying their knowledge.

In our Understanding the World lesson, we looked at pictures of different types of ducks, their habitats, how WE can help to look after their environment and what food is suitable for ducks to eat.

What an exciting welly walk Wednesday we had this week! Little Bells enjoyed a trip down the hill to the duck pond to feed the ducks. Oh Yes, we even have our very own duck pond! Belthorn is full of wonderful surprises! A huge thank you to Mrs Brown for joining us on our little excursion.

This week's R.E focus was Eid. Some of our children shared with the rest of the class how they celebrated their special day.

Just a reminder that Little Bells is closed on Friday 28<sup>th</sup> May for Inset Day and half term holiday 31<sup>st</sup> May - 7<sup>th</sup> June 21

Have a wonderful weekend!

Mrs Hall
