

## Little Bells Newsletter

Friday 1st October

Happy World Smile Day, we have had a lovely smiley day, the children have worn bright, cheery clothes and talked about what makes us smile. We have learnt about teeth hygiene and why we need to look after our teeth. The children have practiced brushing plastic teeth using toothbrushes.

This week our learning has continued with the story, The Rainbow Fish, the children have been playing matching games with the fish and looked at repeated patterns.

In PE we are continuing with our yoga and listening skills. Welly Walk Wednesday was in the rain this week, we jumped in puddles and just enjoyed playing in the rain. All very exciting!

In maths we have been practicing number formation 3 (around the tree, around the tree now I've made a number 3) This week our shape of the week was a triangle, the children have drawn around triangles, traced them, used them to make patterns and searched for them in the classroom.

This week in guided read we have shared the story, Tiger has a Tantrum, the children talked about what they can do if they feel angry or upset. We talked about kind hands, kind feet and sharing with the other children.

In phonics the children have been playing listening games.

Details of the Halloween disco are on the main newsletter this is our first class event organised by year 6 parents. It sounds like it will be fun and I am looking forward to seeing all the children dressed up.

Have a lovely weekend,

Mrs Drugan and the EYFS team.
