

## Little Bells Newsletter

Friday 19<sup>th</sup> November

This week has been all about being kind, we have talked about anti-bullying week and how to be a good friend. The children have listened to numerous stories about being kind and how to be a good friend.

We shared 'Kindness is my Superpower' and sorted cards into kind and unkind acts. Then on Thursday we discussed the story, 'We are all Different' celebrating our differences. The children talked about some children having glasses, some have freckles, different colours of hair and that we all different but equal. We encourage children to talk about themselves and others in a positive way.

In maths we have focused on the number 8 and number bonds to 8. The children have learnt about positional language and during welly walk the children practically showed the different positions; next to, behind, in front, on top, under etc.

In PE we continued with our ball skills and ball control has really improved in just a few weeks. At first we had tennis balls flying everywhere but on Monday the children did some super throwing and catching. Well done to everyone, this is something you could continue to practice at home.

Friday was great fun, the children learnt about Children in Need and how lucky we all are. It was exciting coming to school in spotty clothes and our pj's! Then the race was funny the children enjoyed cheering on their favourite teacher. Thank you to Mrs Sutcliff for planning a super day!

Don't forget to order your Christmas cards by the end of the day, order online through parent pay.

Have a lovely relaxing weekend.

Mrs Drugan
