

Friday 10th December

Winter Wonderland

Wow, we had a wonderful morning on Wednesday, we had a carousel of activities including making a Christmas card, a decoration, a calendar and then icing a festive biscuit. The children enjoyed dancing to party music. I will let the children tell you the rest. It really got me into the Christmas spirit and I felt extremely lucky to make these memories with the children.

Decorations

The children have been busy making decoration to make the classroom look festive. We have made paper chains, spirals, stars and other colourful items.

Maths - recapping

In maths we have been recapping everything we have learnt so far. Checking our sticky knowledge skills. This is something we will continue to do for the whole year to check that the children have not forgot. We have been over number 0-10, practicing our formation and counting skills.

Surprise Guest

Wow! What a fabulous surprise, Father Christmas came to visit all the children and gave them all a gift. Plus we had no tears which was a bonus as I know it can be overwhelming for some children.

Books of the Week

Every day we have read a different Christmas stories. The children love the twinkle lights in the classroom and it makes it lovely and cosy when reading the stories together.

Next week

- Festive fun!
- Word of the week - Christmas
- Book of the week – The Jolly Christmas Postman, Twas the Night Before Christmas and Dear Santa.
- The children will be enjoying a fun week, Festive singing, Christmas dinner, performing the Nativity play, arts and crafts and movie afternoon with a Christmas twist!

Have a lovely weekend, take care.
Mrs Drugan and the EYFS team.

This Week's Highlights

Monday

Decorating the classroom

Tuesday

Practicing our songs, we have some future stars.

Wednesday

Winter wonderland morning and a special guest.

Thursday

Watching the KS1 performance, what a fabulous job the children did!

Friday
