

Little Bells Newsletter

Friday 21st January 2022

This week we have continued our learning on our topic question "What Makes the World Around Us?". The children have had a fabulous time learning about animals in our world.

The story of the week has been "Chicken Licken". The children have thoroughly enjoyed this story, they have been helping Miss Harrison read the story and repeat the repetitive parts- well done my Little Bells superstars.

If you have any questions or concerns, please feel free to message me on Showbie.

Phonics:

This week in Phonics we have been learning our NEW sound "i".

We have been reading the story "Little i" and thinking of things that begin with "i". The children had some fabulous ideas; igloos, iguanas, instruments and insects!

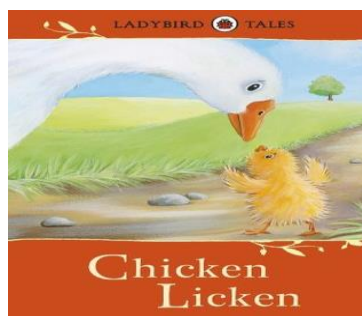

Over the weekend have a look to see what you can find that begins with "i" and send me pictures over Showbie!

Maths:

In maths we have been learning about number 2 and about the Rectangle shape!

We looked around the classroom to find 2 of something and the children completed some number 2 sheets worksheets. We have also been looking at Rectangles and finding them in the classroom. The children understand that a rectangle has 2 long sides and 2 small sides.

Book:

Topic:

Our question for this term is –
‘What makes the world around us?’.

We have been looking at animals this week such as; farm animals, sea creatures, animals in the deserts and animals in the jungle.

We have also been looking at what temperature the animals live in and what the animals eat. It has been very interesting.

The children have had lots of fun playing in the provisions based around animals.

This Week's Highlights:

Monday: Airport PE

Tuesday: Learning about sea creatures

Wednesday: Farm Animal Welly Walk!

Thursday: Completed animal sorting activity.

Friday: Learning about jungle animals.

Fun Plans for Next Week:

Maths: Learn about number 3 and triangles.

Phonics: Learn our new sound

Literacy: Read stories of “people who help us”

Topic: Learn all about “people who help us” such as police officers, paramedics, doctors, dentists and firefighters.

Reminders:

- Please bring hats and gloves on Wednesdays for Welly Walk!
- Please practice number and letter formations at home.

Have a fabulous weekend!

From Miss Harrison and the EYFS Team.
