

# Little Bells Newsletter

Friday 28<sup>th</sup> January 2022

This week we have continued our learning on our topic question “What Makes the World Around Us?”. The children have really enjoyed learning about “People Who Help Us”. We have even had some special visitors!

We have been reading “Charlie the Firefighter” this week, to help develop our understanding on the role of a firefighter! We know that to be a firefighter we need to be strong and have a good team who help one another.

If you have any questions or concerns, please feel free to message me on Showbie.

## Phonics:

This week in Phonics we have been learning our NEW sound “n”.

We put our top and bottom teeth together to say the “n” sound. The children did exceptionally well with this and we explored what things began with “n”.

We found that nut, noodles, net and nail all began with the “n” sound.

Great job Little Bells!

## Maths:

In maths we have been learning about number 3 and about the Triangle shape!

We practiced our formation of number 3, and looked for triangles around the classroom. We know that a triangle has 3 sides and 3 corners.

Have a look at the weekend for some triangles!
