Friday 7th January 2022

Welcome back!

This week in Little Bells we have been very busy getting to know some of our new friends and settling back into our routines. We have been learning about our key questions – ‘What makes the world around us?’. The children have settled back into class very well and we are excited for all the fun activities.

I would also like to that this opportunity to introduce myself, my name is Miss Harrison and I am the new Pre-School leader.

If you have any questions or concerns, please feel free to message me on Showbie.

Phonics:

This week in Phonics we have been recapping some of our sounds –

S A T P I N.

The children have been colouring some fabulous pictures with some items that begin with these letters.

Next week we will be focusing on the formation of these letters and introducing a NEW sound!

This week in maths we have been recapping our numbers up to 5. We have been using our magic fingers to draw the numbers in the sky and representing the numbers on our fingers.

‘What makes the world around us?’.

We have been looking at our world on a globe and seeing where we live. We have used the iPad to look at some facts about different countries. The children have been painting the world, using blue for water and green for land.

Next week we will be painting our salt dough worlds.
