

Little Bells Newsletter

Friday 4th February 2022

We have had a very exciting week in Little Bells as we continued our learning on "People Who Help Us". We have had 5 special visitors who helped our understanding on emergency service workers and develop our interest in different occupations.

We have been reading a story called the "Real Superheroes". It explained that the real superheroes in the world are the people who help us, such as; Police Officers, Nurses, Doctors, Fire Fighters, Caretakers, Opticians, Bin Workers, Dentists, Vets and lots more!

Phonics:

This week in Phonics we have been developing our listening skills, by listening to certain sounds and identifying them.

We have listened to animal noises and lots of environmental sounds.

In the classroom and outside we listened to the sounds and thought about what the sounds could be.

What sounds will you hear over the weekend?

Maths:

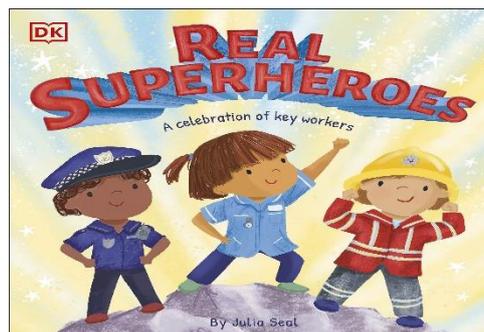

In maths we have been learning about number 4 and all about a Square.

We have been practicing our number and shape formation.

In our provisions we have been drawing around shapes and using the play-dough to make the number 4.

Keep practicing your number and shape formation at home!

Book:

Topic:

Our question for this term is –

‘What makes the world around us?’.

We have continued our learning on “People Who Help Us” and had some exciting visitors to tell us all about their job roles and how they help people!

We have been very busy in our provisions after building like a builder, looking after our friends like doctors or nurses, and cleaning the ends of bottle tops as teeth as we pretended to be dentists!

This Week’s Highlights:

Monday: Learning all about number 4 and squares!

Tuesday: Chinese New Year

Wednesday: Visit from a Paramedic, Fire Fighter and Police Officer

Thursday: Visit from our school caretaker and an Optician.

Friday: Environmental sounds.

Fun Plans for Next Week:

Maths: Number 5 and re-capping all out shape knowledge.

Phonics: Develop our listening skills with instrumental sounds.

Literacy: Read “We’re Going On a Bear Hunt”.

Topic: Looking at different sceneries from our story and creating Valentines Crafts!

Reminders:

- Parent Stay and Play on the 10th February.
- Please make sure your child has a water bottle in school with their name on.
- Please let Miss Harrison know if you are struggling to access Showbie.

Have a fabulous weekend!

From Miss Harrison and the EYFS Team.
