

Little Bells Newsletter

Friday 4th March 2022

This week in Little Bells we have been settling back into our routines, doing lots of hard work but having lots of fun too.

We have been learning about syllables, learning to subitise to 5, and comparing the seasons. We have also had lots of fun on Thursday when it was World Book Day. The children loved dressing up as their favourite book characters and showing their friends.

Little Bells also attended their FIRST assembly which they thoroughly enjoyed!

Phonics:

This week in Phonics we have been learning about syllables. What is a syllable and how can we identify them?

We completed a fun game called 'Clap It Out' with Mrs Potter and lots of dancing to symbolise them.

Next week we are looking at rhyming words!

Maths:

In Maths we continued our learning on subitising but completed this to 5!

Subitising is where we can identify how many objects are there without counting. Everyone did a great job with this.

Next week we are learning about a 5 frame and what a 5 frame can help us do!

Book:

Topic:

Our question for this term is –
'What makes the world around us?'

This week we continued our learning on the seasons, and we compared the seasons together. Some seasons are warm, some are wet and windy and some are very cold and bring us snow!

Next week we are learning about the life cycle of a plant and even making our own plants to watch the roots grow!

Very exciting and fun!

This Week's Highlights:

Monday: Rainforest PE session.

Tuesday: Syllables and subitising to 5.

Wednesday: Sound hunt around school.

Thursday: World Book Day!
