

Little Bells Newsletter

Friday 22nd April 2022

Welcome back!

We have had a lovely week settling back into our routines and the children have enjoyed telling their friends what they did during half term. The children were very excited to tell us about the Easter Bunny coming to deliver our chocolate eggs!

Thank you for sending me pictures on Showbie over half term of how well your broad bean plants are growing- we have loved looking at them in class.

Phonics:

In Phonics we have been learning about body percussion.

Body percussion is when you make noises using your body. These can be things such as stomping, jumping, clapping, and tapping your knees.

We put some music on and used body percussion in time with the music.

Good work, Little Bells.

Maths:

In Maths we have been learning the concept of more than and fewer than.

We used the children as a visual example to help them to grasp the concept. With Mrs Potter the children have used the compare bears to show their understanding and support their learning further. Over the weekend see what you can see which has more or fewer than.

Well done Little Bells!

Book:

Topic:

Our question for this half term is –
'Can you tell a good tale'

Over this next half term, we are focusing on traditional tales, learning about repetitive phrases, characters and what a traditional tale is. We have enjoyed this story and we tried some Porridge to see if we thought it was tasty!

We have also been looking at computing and IT; using the iPads to create little scenes. The children did extremely well with this.

This Week's Highlights:

Monday: Bank Holiday Monday.

Tuesday: Welcome back – Goldilocks and The Three Bears.

Wednesday: Lambs came into school.

Thursday: More and Fewer visual examples.

Friday: Attended the whole school assembly.
