

Little Bells Newsletter

Friday 6th May 2022

This week in Little Bells we have continued our learning on traditional tales as we read "The Ugly Duckling". We linked this to our learning by learning about kindness, and how we can be kind to our friends in Little Bells.

We have also been looking at the life cycle of a duck and we watched videos of the eggs hatching. The children asked some interesting questions so we used the internet to help us understand!

Well done Little Bells for all your hard work this week.

Phonics:

In Phonics we have been looking at rhyming words.

Rhyming words can be a hard concept to understand for children, however Little Bells have tried really hard and they did exceptionally well!

We did an activity about rhyming words and we have done lots of fun carpet sessions seeing what words in the classroom rhyme!

Good work, Little Bells.

Maths:

In Maths we have been focusing on 3D shapes, looking at their names and their properties.

We have looked at a cylinder, cone, cube and sphere. We have found different things around school and used our memory to think of things that are these shapes. These are items such as ice cubes, ice cream cones, party hats and pipes.

Well Done!

Topic:

Our question for this half term is –

‘Can you tell a good tale’

Over this next half term, we are focusing on traditional tales, learning about repetitive phrases, characters and what a traditional tale is.

This week we have been reading the story “The Ugly Duckling” and we have been learning to be kind to our friends. We know that people may look different and have different personalities, but we are all beautiful in our own way.

This Week’s Highlights:

Monday: Bank Holiday.

Tuesday: Reading “The Ugly Duckling”

Wednesday: Duck hunt welly walk!

Thursday: Exploring 3D shapes.

Friday: Rhyming word quiz and good work assembly.

Fun Plans for Next Week:

Maths: Describing a route.

Phonics: Phase 2/Environmental sounds

Literacy: Jack and The Beanstalk!

Topic: What are plants?

Reminders:

- Please ask your children if they would like milk and school and sign them up via cool milk (<https://customers.coolmilk.com/V2/register/>)
- Please send a family photo via Showbie.
