What a fun week we have had!

The children this week have enjoyed reading different stories and learning about mini-beasts. It has been lots of fun learning about the different types of mini-beasts- some have lots of legs, some have no legs, some fly and some crawl! We have also had some visitors this week too...

On Thursday we took part in Belthorn's sports day; all our sports day practiced paid off! The children did amazing, showing such determination and resilience. I am very proud of all the children. Well done, Little Bells!

Phonics:

For Phonics this week we have been learning our phase 2 sounds – “e” and “t”.

The children did a fabulous job at learning letter “e” and “t”. We found words that begin with this sound, and looked at our names and see if the “e” sound is in there!

Next week we are learning sound “u” and recapping our “e” sound.

Great work Little Bells!

Maths:

For maths this week, we have recapped our numbers to 10, and started to look at numbers larger than 10!

We wrote our numbers and identified which number it was. The children are doing super well at recognising their numbers and showing the correct fingers for this.

Next week we will recap our numbers and look at numbers to 20!

Book:

 The Bad-Tempered Ladybird
Eric Carle

Topic:

Our question for this half term is –

‘What Grows?’

For our final term we are looking at our topic question of “what grows?”. In life we know that a lot of things grow in different ways- including us!

For our topic work this week, we have looked at mini-beasts and we had some very special visitors... caterpillars! We have 20 new caterpillars who will turn into beautiful butterflies! Be sure to check our Facebook page for updates on how they are getting on!
