

EVERY DAY IS AN  
**OPEN  
DAY!**

## OUR DOOR IS ALWAYS OPEN!

Belthorn Academy is a caring and nurturing community where we strive to ensure our children are nurtured and inspired to be the best they can be. We aim high, work hard, have fun, and achieve great things.

### Did you know..? We're right on your doorstep...

We wanted to offer you a warm welcome to the area and introduce you to our school. It's a real hidden gem in a unique rural location, and it's just a five-minute drive away.

From farmyard neighbours to our own forest school, we've got a rich and varied curriculum, and we'd love for you to visit us and see what makes us so special.

And what's more, every day is an open day. That's why we openly invite you to make an appointment with our headteacher, at a time that works best for you.

# Little Bells Pre-School

Teacher Led | Paid & Funded Places | Rural Setting | From age 2 \*

## OUR BEST KEPT SECRET!

Little Bells is Belthorn Academy's pre-school. It's a happy, friendly, and welcoming place where we pride ourselves on developing very close relationships with our children and their families.

### Did you know..? It's an integral part of our school community.

We know pre-school age is an important development stage for your child – that's why we've invested in an excellent early-years learning environment. Our pre-school leader is a qualified teacher, working alongside qualified and experienced practitioners.

Our Little Bells children enjoy a variety of fun and exciting activities and, as part of our Early Years family, have exposure to our wider curriculum, meaning they're very much a part of our school community.

It's the perfect foundation for pre-school years, and attendance can support admission into our Reception class intake\*.

\* Reception places are offered in adherence with the school's admissions' policy

\*\* Funded hours are dependent on individual circumstances

Call **01254 55620** or email [office@belthornacademy.co.uk](mailto:office@belthornacademy.co.uk) to arrange a visit!
